5.1 Obligation of Confidentiality. In performing Advisory services under this Agreement, Advisor may be exposed to and will be required to use certain “Confidential Information” (as hereinafter defined) of the Company. Advisor agrees that Advisor will not and Advisor’s employees, agents, or representatives will not use, directly or indirectly,

such Confidential Information for the benefit of any person, entity, or organization other than the Company, or disclose such Confidential Information without the written authorization of the President of the Company, either during or after the term of this Agreement, for as long as such information retains the characteristics of Confidential Information.

5.2 Definition. “Confidential Information” means information not generally known and proprietary to the Company or to a third party for whom the Company is performing work, including, without limitation, information concerning any patents or trade secrets, confidential or secret designs, processes, formulae, source codes, plans, devices or material, research and development, proprietary software, analysis, techniques, materials, or designs (whether or not patented or patentable), directly or indirectly useful in any aspect of the business of the Company, any vendor names, customer and supplier lists, databases, management systems and sales and marketing plans of the Company, any confidential secret development or research work of the Company, or any other confidential information or proprietary aspects of the business of the Company. All information which Advisor acquires or becomes acquainted with during the period of this Agreement, whether developed by Advisor or by others, which Advisor has a reasonable basis to believe to be Confidential Information, or which is treated by the Company as being Confidential Information, shall be presumed to be Confidential Information.

5.3 Property of the Company. Advisor agrees that all plans, manuals, and specific materials developed by the Advisor on behalf of the Company in connection with services rendered under this Agreement, are and shall remain the exclusive property of the Company. Promptly upon the expiration or termination of this

Agreement, or upon the request of the Company, Advisor shall return to the Company all documents and tangible items, including samples, provided to Advisor or created by Advisor for use in connection with services to be rendered hereunder, including, without limitation, all Confidential Information, together with all copies and abstracts thereof.

ARTICLE 6 RIGHTS AND DATA

All drawings, models, designs, formulas, methods, documents, and tangible items prepared for and submitted to the Company by Advisor in connection with the services rendered under this Agreement shall belong exclusively to the Company and shall be deemed to be works made for hire (the "Deliverable Items"). ARTICLE 8 RIGHT TO INJUNCTIVE RELIEF

Advisor acknowledges that the terms of Articles 5, 6, and 7 of this Agreement are reasonably necessary to protect the legitimate interests of the Company, are reasonable in scope and duration, and are not unduly restrictive. Advisor further acknowledges that a breach of any of the terms of Articles 5, 6, or 7 of this Agreement will render irreparable harm to the Company, and that a remedy at law for breach of the Agreement is inadequate, and that the Company shall therefore be entitled to seek any and all equitable relief, including, but not limited to, injunctive relief, and to any other remedy that may be available under any applicable law or agreement between the parties. Advisor acknowledges that an award of damages to the Company does not preclude a court from ordering injunctive relief. Both damages and injunctive relief shall be proper modes of relief and are not to be considered as alternative remedies.

ARTICLE 9

GENERAL PROVISIONS

9.1 Construction of Terms. If any provision of this Agreement is held unenforceable by a court of competent jurisdiction, that provision shall be severed and shall not affect the validity or enforceability of the remaining provisions.

This Agreement constitutes the complete agreement and sets forth the entire understanding and agreement of the parties as to the subject matter of this Agreement and supersedes all prior discussions and understandings in respect to the subject of this Agreement, whether written or oral.

9.4 Dispute Resolution. If there is any dispute or controversy between the parties arising out of or relating to this Agreement, the parties agree that such dispute or controversy will be arbitrated in accordance with proceedings under American Arbitration Association rules, and such arbitration will be the exclusive dispute resolution method under this Agreement. The decision and award determined by such arbitration will be final and binding upon both parties. All costs and expenses, including reasonable attorney's fees and expert's fees, of all parties incurred in any dispute that is determined and/or settled by arbitration pursuant to this Agreement will be borne by the party determined to be liable in respect of such dispute; provided, however, that if complete liability is not assessed against only one party, the parties will share the total costs in proportion to their respective amounts of liability so determined.

Except where clearly prevented by the area in dispute, both parties agree to continue performing their respective obligations under this Agreement until the dispute is resolved.

9.5 Modification. No modification, termination, or attempted waiver of this Agreement, or any provision thereof, shall be valid unless in writing signed by the party against whom the same is sought to be enforced.

9.6 Waiver of Breach. The waiver by a party of a breach of any provision of this Agreement by the other party shall not operate or be construed as a waiver of any other or subsequent breach by the party in breach.

9.7 Successors and Assigns. This Agreement may not be assigned by either party without the prior written consent of the other party; provided, however, that the Agreement shall be assignable by the Company without Advisor's consent in the event the Company is acquired by or merged into another corporation or business entity. The benefits and obligations of this Agreement shall be binding upon and inure to the parties hereto, their successors and assigns.
